

February 2, 2009

The Hot Lunch Program was under review as the Edmonds School District made price increases. Due to these increases, St. Thomas More Parish School is unable to participate in the program.

Until further notice, Hot Lunch will not be available. Please have students bring a sack lunch.

Milk is available for \$0.30 each carton (choice of chocolate or white). Milk Tickets can be purchased for \$6.00 (20 milks) by sending your cash or check written out to St. Thomas More Parish School via the Wednesday Envelope (or just stop in the school office).

Hot Lunch Fundraisers will occur as they are planned. Look for order sheets in the Wednesday Envelope.

Another option is Fantazimo; a company that provides sack lunches for students if you order on-line prior to the day you need the lunch. You can visit their website at [www.fantazimo.com](http://www.fantazimo.com) to learn more about how to order lunches! They have been a very nice option for many families!
