Standing Orders

Completing a standing order is a guaranteed way for you to receive the scrip gift cards that you want. It is easy. You fill out an order sheet telling the scrip team when the standing order is to start and if you want to pick up the standing order on the 1st or 15th of each month. Standing orders are **PAID FOR AT THE TIME YOU PICKUP IT UP**. You may add more to your standing order at the time of pickup. If you have questions, contact Pam Barron at 425-787-5026 or pamandjoebarron@earthlink.net.

New/Changes to the Scrip Box

We have added \$100 Amazon gift cards to the scrip box. They are still at 4%. \$25 Gap/Old Navy cards are now at 14% toward your fundraising.

Special Orders

Don't see what you are looking for on the scrip sheet? You can special order from the Great Lakes information sheet. Special orders must be paid for at the time of purchase since this is not something our customer base purchases.
