

## WHAT IS A STANDING SCRIP ORDER?

---

A Standing scrip order is the amount of scrip that you intend to purchase every month. You can purchase it once a month or twice a month. Orders are filled for delivery on the 1st and 15th of each month. To start a standing order just fill out a white order sheet telling scrip the amount of gas, grocery, Starbucks or anything else that you wish to purchase on a regular basis. Scrip will order those items for you and have them in stock . Your order will be waiting for you on the 1st or 15th of each month.

You won't have to wait until QFC comes in or risk items being out of stock. Your standing order guarantees that your items are in stock and ready when you need them. Many at STM have standing orders for Safeway, QFC, ARCO, Shell, and Starbucks. If you know that you spend \$300 each month for groceries and \$150 for gas, why not make sure your scrip is in the box when you need it?

You pay for your standing order when you pick it up. It is an easy way to budget and get your fundraising done all at once.

Fill out a standing order sheet today!

## WHAT IS A SPECIAL SCRIP ORDER?

---

A special order is NOT a standing order. A special order is placed for items that scrip does not have in stock . These items are available but must be specially ordered from our vendor. There are many more gift cards available for order than STM keeps in stock on a regular basis.

Ask the scrip seller for the list of special orders. A special order is placed on a yellow special order sheet and **MUST BE PAID** in advance. You must pay for the item at the time of the order. No special order will be accepted without payment.

It will take an average of 10-15 days to get a special order in stock -so **PLAN AHEAD!**

Stop by scrip now and get a list of special order items and plan ahead for birthdays, Weddings, Christmas, or travel.
